A black and white halftone photograph of a person's face, heavily obscured by a dense grid pattern. The person has short, light-colored hair and appears to be wearing glasses. The background is dark and textured.

A halftone version of the Seal of the Commonwealth of Massachusetts. The seal features a central shield depicting a Native American figure holding a bow in one hand and an arrow pointing downward in the other. A five-pointed star is located in the bottom left corner of the shield. Above the shield is a crest showing a bent arm holding a broadsword. A scroll or ribbon surrounds the bottom and sides of the shield, which typically contains the state motto "Ense petit placidam sub libertate quietem", though the text is illegible here due to halftoning.

This image is a high-contrast, black-and-white halftone photograph of a person's face. The entire image is covered in a dense, uniform pattern of small dots, which obscures most of the facial features. The person appears to have short hair and a neutral expression. The background is a lighter shade of gray, providing a subtle contrast to the dotted texture.
