

[让这匹去跑泥地的话，到时候肯定会上G1的。我们一起加油吧。] 08年夏天，在某一天训练结束后，厩务员对佐藤骑手如是说道。

The image consists of a series of horizontal rows of black dots on a white background. The dots are arranged in a grid-like pattern, creating a halftone effect. A central rectangular area is defined by a higher density of dots, forming a frame. This central frame has a small square hole in its center. The overall pattern is symmetrical and periodic.

……首次参加重量赛他就取得了2着的成绩。然后在二月锦标赛G1上面对各路豪强，他也能跑到了第4名。

The image consists of a black and white halftone pattern. In the upper left corner, there is a large, bold letter 'D' composed of horizontal lines. To the right of this, the image is divided into a 3x3 grid of smaller rectangles. Each of these smaller rectangles contains a different halftone texture, including various patterns of horizontal lines, vertical lines, and dots. The overall effect is a high-contrast, geometric design.

在一哩冠军赛南部杯获得2着之后他的连胜被终结。一个月后他前往美国进行训练。

希望之城从米国回来后便赢得了名古屋大赏典。然而无论练马师还是骑手都认为他完全没有找回之前的状况。安达练马师在回国直接接受采访也说道：「能确定的是(他的)身体状况是美国远征失败的原因之一。」

再加上办理入境检疫
手续时出了差错

希望之城没有准备！
